Agenda:

The Coordinator, IQAC committee read out the report of the student feedback for the academic year 2020-2021. The report showed that most of the students were strongly agreed about the course content covering on time as well as recommended reading material. All students agreed with the overall conducive atmosphere in the college campus. But the presence of low number of students in the college was a matter of concern besides some other matter. All the members unanimously provided the authority to the Chairman of the Staff Council to take corrective measures.
